

SUPPORT YOUR CHILD CARE PROVIDERS

WHAT RETAILERS CAN DO

- Reserve designated time slot for child care providers in your community to come in and purchase necessary supplies.
- Allow child care providers to buy more than the limited product on supplies necessary to run their daycare.
- Designate an employee to work directly with child care providers, understanding they too are an essential business.

WHAT CHILD CARE PROVIDERS CAN DO

- Contact or visit your local grocer and introduce yourself. Explain what your supply needs are and what would be helpful in reference to meeting the requirements of your daycare.
- Bring your child care identification card / license in while shopping.
- Support your local grocer.
