

LOCAL MINNESOTA DISTILLERS MAKING HAND SANITIZER

Distillers in Minnesota have started to shift production for retail sales and commercial cleaning sales of hand sanitizer. Below is a list from the Minnesota Distillers Guild of its members that have been vetted and have the capacity to partner with MGA members. The distillers are licensed and can provide documentation to members and are gauging interest and demand. Bulk commercial and retail are both being explored by the distillers.

Copperwing Distillery

(St. Louis Park)
